

APPLICATIONS OF INTEGRATED CLARITY

LEVEL	DESCRIPTION OF RELATIONSHIP	APPLICATION OF INTEGRATED CLARITY
Intrapersonal	Our thinking – what we tell ourselves	Journaling, one-on-one mentoring, executive coaching (to help discover thoughts/feelings/needs), self-inquiry and contemplation
Interpersonal	What we tell others, what we think we hear others telling us	Facilitation, mediation and conflict resolution, confirming what is said is what is heard, personnel reviews, team processes, and operational communications
Organizational	What we think the organizational data is telling us	Strategic conversations that provide a framework for planning; Organizational Needs Dashboards, widespread, whole system processes
